

MSDS

Part 1: Information of product and manufacturer	
Product name:	Pet Toothpaste
Company name:	Jiangsu Snow Leopard Household Chemical Co., Ltd.
Address:	No.35 Yingbin Road, Qiaoqi, Xiake Town, Jiangyin City, Jiangsu Province
Tel:	86-510-86294448

Part 2: Hazard(s) Identification
Irritating to skin and eyes

Part 3: Composition		
Style#: SFB8169		
Hazard Statement : No hazardous components.		
NAME OF INGREDIENT	Composition%	CAS NO.
Sorbitol	35-40	50-70-4
Water	the balanced	7732-18-5
Hydrated Silica	18-22	10279-57-9
Calcium Carbonate	10-15	1317-65-3
Polysorbate 20	0.2-0.5	9005-64-5
Tetrasodium pyrophosphate	0.1-0.5	7722-88-5
Cellulose Gum	1-2	9004-32-4
Sodium Chloride	0.1-0.2	7647-14-5
Flavor	0.15-0.2	
Sodium Bicarbonate	0.2-0.3	144-55-8
Zinc Gluconate	0.05-0.1	4468-02-4
Proteases	0.05-0.1	9025-49-4
Thymol	0.05-0.1	89-83-8

Part 4: First-aid measures	
Eye	Hold eyelids apart and flush the eye continuously with running water for 15
Skin	Rinse with running water.
Suction	This product is not a respiratory hazard under normal use.
Ingestion	Drink plenty of warm water to induce vomiting, please see a doctor if still feel uncomfortable.

Part 5: Fire-fighting measures	
Suitable fire extinguisher	carbon dioxide /dry powder/ water spray/foam,
Explosion hazard when firing	No explosion
Special fire-fighting method	Cooling containers and tanks exposed to fire by water
Protection of firefighters	Fire fighters must wear clothing, gloves and air respirator.

Part 6: Accidental release measures	
Personal protection	Under normal circumstances, protective equipment is unnecessary but make sure that the cleanup is done by
Deal with leakage	Collecting leakage with appropriate absorbent materials and
Environment	No damage to environment.

Part 7: Safe handling and storage	
Storage	It should be stored in cool and dark place .Keep away from children. Sand and fire extinguishing equipment should be provided in and around
Handling	Emergency equipment that can be used to extinguish fires and handle

Part 8: Exposure controls/personal protection	
It is safe to use the personal care product in a reasonable and foreseeable position.	
Engineering control	No special precautions.
Respiratory protection	No need
Hand protection	No special protection is needed.
Eye protection	Wear chemical safety goggles when possible.
Skin and body protection	Wear clean work clothes
Hygiene measures	Good hygiene practices

Part 9: Physical and chemical properties	
Appearance	Semifluid, White paste.
Odor	Slightly
PH	7-9
Kinematic viscosity	5500
Flash point	256°C
Proportion	1.1-1.3
Solubility	Insoluble in water

Part 10: Stability and reactivity	
It is stable under normal circumstance	

Part 11: Toxicity	
Acute toxicity	LD50>5000mg/kg
Oral mucosal irritation test	The degree of stimulating response is lighter.

Part 12: Ecological information	
No information.	

Part 13: Disposal	
In accordance to relevant rule.	

Part 14: Transport information	
Sea transport(IMDG-Code/GGVSee)	
This product is not regulated as a hazardous material or dangerous goods for transport.	

Part 15: Regulatory Information	
Labor safety and health facilities rules	
Road traffic safety rules	
Hazard and hazard general rules	
Waste storage and removal treatment methods and facilities standards	

Part 16: Other Information	
Issue date	Oct. 13,2021
