

Extreme Durability | Great for Playtime | Great Indoors
Won't Hurt Teeth | They Float! | Machine Washable

Tuffy Pet Toys are some of the most durable toys on the market. All the layers of these toys are bonded and sewn together to make one 'TUFF' layer (See the 'TUFF' Scale below). Most toys have just one seam to hold the toy together. Tuffy Toys have multiple layers of stitching to create an extremely "TUFF" toy. They also feature squeaker safety pockets - squeakers are sewn internally in to pouches for an added level of safety!

NOTE | These toys are NOT indestructible, and pets MUST be supervised during playtime.

Your dog's safety is "Your" Responsibility. The Tuffy's Series Toys are designed to be play toys and not chew toys. No part of any toy should be ingested. Injury may result. These toys are machine washable (air dry) and they float!
